The Ohio State Alumni Club of Middle Tennessee will hold its annual business meeting June 12th at 3:00 pm. We will review the 2015 club activities, and make plans for 2016 activities and events.

The club leaders would like to get ideas from current and prospective club members. We encourage you to come to this meeting. Just RSVP to Jeff above.

It is not just sports that bring us together. The Middle Tennessee Ohio State Alumni truly enjoy socializing and serving our communities together. We would love to have more Buckeyes included on committees and in these activities.
